

**FOR IMMEDIATE RELEASE:**

**Writer's Workshop- Creative Writing**

May 2, 2017

We will look at different ways to tell a story. A creative story can be true or not, but it is a story. Through these workshops, we will explore our comfort zones and press the boundaries. Let's take this journey together and see where it takes us. May 9, May 23, June 6, and June 30 from 6:00-7:30pm. The workshop concludes with a juried 24-hour writing contest. It is instructed by Laurel Topkin and includes special guest writers from the community. Additional information is available at the library and on the website.

The library is located at 553 South Maine Street and [www.churchillcountylibrary.org](http://www.churchillcountylibrary.org). If you have questions, call 423-7581.
