Workforce Solutions

HIRING EVENT!

Thursday, May 17, 2018

12 p.m. - 4 p.m.

Fallon JobConnect

121 Industrial Way

Fallon, NV

Seeking 60+ employees! Volt has immediate opportunities for manufacturing positions for a top energy efficient automotive company in Sparks. Workplace is in the Tahoe Reno Industrial Center between Sparks and Fernley.

Production Associate, #436674. \$15.50-\$17.82/hour, depending on experience and shift. Full time, 40 hours weekly, variable shifts. Experience with electrical assembly preferred. Basic computer skills req'd. Ability to lift up to 50 pounds on a consistent basis. Employer looking for long term history with individual employer. Reliable transportation required as plant is not served by bus service; van service may be available.

It is preferred that you are referred to the job listing by a JobConnect representative before the hiring event. **Please bring your resume to event.**
