

SAVVY CAREGIVER TRAINING

An education program presented by the Alzheimer's Association®

Based on research by experts, this 3-week course will provide clinical-level training for family caregivers. Improve your knowledge, approach, skills and outlook. Gain the confidence to set and achieve caregiving goals. Learn strategies to manage stress, make decisions, and manage activities of daily living. The Savvy Caregiver Training Program provides 12-hours of face to face training with dementia experts and a caregiver's manual.
