

RESALE OF BASIC LOCAL EXCHANGE SERVICE

I. General

- A. In general, Basic Local Exchange Service is furnished for the exclusive use of the subscriber. Resale of Basic Local Exchange Service is permitted only under the specific terms and conditions described in this Tariff.
- B. Before resale service will be established, the Telecommunications Provider desiring to resell local exchange services provided by the company must submit a copy of their approved Certificate of Public Convenience and Necessity (CPCN) from the appropriate regulatory authority.
- C. The reseller will be the single point of contact for all Resale Client services provided in connection with the Resale of Basic Local Exchange Service.
- D. Resale is permitted where facilities permit. The designated resale service area must be wholly within the confines of existing exchange boundaries.

II. Regulations & Rates

- A. All CCC regulated services will be discounted 13.0% below the published tariff rates.
- B. All usual and applicable Service Charges and Installation Charges as appropriate indicated in this and other Tariffs apply to activation, move or change of lines within the resale offering.
- C. A notice of termination must be given in writing in advance to the Company.
- D. All rates and charges in connection with the resale operation and all repairs and rearrangements behind and including the reseller's communications system will be the responsibility of the reseller (customer of record)/owner.
- E. Resellers must establish credit with the company in accordance with standard practices for the services being ordered for resale.
